RELM Wireless to Host Third Quarter Conference Call on Thursday, November 12, 2009

WEST MELBOURNE, FL, November 3, 2009 – RELM Wireless Corporation (NYSE Amex - RWC), which designs, manufactures and markets two-way radio communications equipment, will host an investor conference call to discuss its operating results for the third quarter and first nine months of 2009 on Thursday, November 12, 2009 at 9:00 am EST. On the call will be David Storey, President and Chief Executive Officer, and William Kelly, Executive Vice President and Chief Financial Officer.

The Company will release its third quarter and nine-month operating results after the close of stock market trading on Tuesday, November 10, 2009.

Shareholders and interested parties may participate in the conference call by dialing 800-860-2442 (international and local participants dial 412-858-4600) and asking to be connected to the “RELM Wireless Corporation Conference Call”. The call will also be webcast at www.relm.com. Please allow extra time prior to the call to visit the site and download any necessary software to listen to the webcast. An online archive of the webcast will be available on the Company’s website for 30 days following the call at www.relm.com. A replay of the conference call will be available one hour after completion of the call until Thursday, November 19, 2009 at 5:00 pm EST by dialing 877-344-7529 (international/local participants dial 412-317-0088) and entering conference I.D. # 435360.

About RELM Wireless
