**RELM Wireless to Host Second Quarter Investor
Conference Call on Thursday, August 14, 2008 at 9:00 a.m. EDT**

WEST MELBOURNE, FL, August 7, 2008 – RELM Wireless Corporation (AMEX: RWC), which designs, manufactures and markets two-way radio communications equipment, will host a conference call to discuss its second quarter and year-to-date 2008 operating results on Thursday, August 14, 2008 at 9:00 am EDT. On the call will be David Storey, President and Chief Executive Officer, and William Kelly, Executive Vice President and Chief Financial Officer.

The Company will release its second quarter operating results after the close of market trading on Wednesday, August 13, 2008.

Shareholders and interested parties may participate in the conference call by dialing 800-860-2442 (international and local participants dial 412-858-4600) and asking to be connected to the RELM Wireless Corporation Conference Call. The call will also be web cast at www.relm.com. Please allow extra time prior to the call to visit the site and download any necessary software to listen to the web cast. An online archive of the web cast will be available on the Company's website for 30 days following the call at www.relm.com. A replay of the conference call will be available one hour after completion of the call until August 21, 2008 at 5:00 pm EDT by dialing 877-344-7529 (international/local participants dial 412-317-0088) and entering conference I.D. # 421548.

About RELM Wireless

For over six decades, RELM Wireless Corp. has manufactured and marketed high-specification two-way communications equipment for use by public safety professionals and government agencies, as well as radios for use in a wide range of commercial and industrial applications, including disaster recovery. Advances include new interoperable, digital two-way radios compliant with APCO Project 25 technical specifications. Products are manufactured and distributed worldwide under BK Radio, RELM/BK and RELM product lines. The company maintains its headquarters in West Melbourne, Florida and can be contacted through its web site at www.relm.com or directly at 800-821-2900.
